VARSITY FOOTBALL

Front Row—A. Leach, W. Burgess, E. Hayslip, P. Hennessey, M. Trudell, R. Drapeau, J. Fillion, R. Martin, S. Sarausky, L. Quail. Second Row—M. Paradis, S. Colby, J. Parker, P. Santina, P. Poulsen, P. Jasak, T. Downing, L. Jackson, P. Macon. Third Row—Coach Sarausky, A. Strain, L. Ziter, B. Ward, P. Curtis, J. Hennessey, D. Bull, Coach Millen.

The 1967 L.H.S. Football Crusaders responded to the call by Coach Sarausky for candidates to report for practice and preparation for the coming football season. The Seniors answering this call included lettermen Russ Drapeau, John Fillion, Skip Hayslip, Paul Hennessey, Alan Leach, Russ Martin, Jeff Plante, Stephen Sarausky, and Mike Trudell, as well as two newcomers, Len Quail and Bill Burgess. This capable group formed the nucleus of the '67 team.

After four and a half weeks of hard work and preparation, the Crusaders opened their season on September 16th at Conway, N.H., against the Kennett Eagles. Although Kennett had a new coach and a new system to learn, the Littleton team had very little trouble in winning the opening game to the tune of 36-0. With the fine work of the seniors and outstanding underclassmen, the L.H.S. stalwarts then prepared for their next game against Kingswood High. Once more the Crusaders came through in overwhelming fashion to win 32-6. To single out any individual was impossible because every member of the squad had a chance to play.

The next game against Hanover High here in Littleton saw the team lose to a senior-dominated team from the college town 6-0. The game was hard-fought from beginning to end. Littleton had several opportunities to score, but just lacked the necessary punch. The Crusaders traveled to Franklin on the next week-end, and although much of the action was dominated by the L.H.S. team, the fans and team went home bitterly disappointed at losing 12-6. However, the strength of the 1967 Littleton team was obvious in the remaining three games. Against the Berlin Mountaineers, with John Fillion replacing the injured Paul Hennessey at quarterback, the Maroon and White romped over Berlin 20-0. Continuing this hard-nose type of play against the Newport Tigers saw Littleton bury the visitors 18-6.

On the last Saturday in October, an untied and undefeated Plymouth Bobcats team came to Littleton for what proved to be the most outstanding game ever played on Apthorp Common. For 39 minutes and 50 seconds both teams played outstanding defensive ball. Littleton had a tremendous goal-line stand to prevent a score early in the 3rd period. With 10 seconds left, Littleton in possession of the ball around midfield, Len Quail threw a 1st-down pass to Paul Hennessey, and on the very next play he threw a bomb to Russ Martin who was knocked out-of-bounds with seconds left to play. Time left for one play, and Coach Sarausky called on Steve Colby, All-State fullback, to hit over right tackle. The resulting touchdown turned Apthorp Common into pandemonium and set off the wildest demonstration ever seen by the local fans.

Congratulations to the team for a fine record of 5 wins and 2 losses and the State recognition of having the second best defensive team in the State. Allowing only 30 total points to seven opponents, All-State Honors were won by Paul Hennessey, John Fillion, Mike Trudell, and junior Steve Colby. Several others received Honorable Mention, namely Steve Sarausky, Russ Martin, and Russ Drapeau.

The Class of '68 extends to the coaching staff and candidates wishes for the very best success in the coming season.

The J.V. football team had its most successful season this year, winning three games and losing one. The team started off the season by losing a tough contest to Berlin 14-6. Then the J.V.'s came back and won the next three, trouncing Kennett 32-6, then Lyndon 34-8, and finally winning a hard fought game with Plymouth 18-12. The team worked hard for its success and wishes Mr. Bamford the best of luck for next year's team.

The Littleton cross-country team had a successful season in 1967, ending the year with a ten and one record. This was by far the best won-lost record in the history of cross-country at Littleton. Coach Dan Duffy's team showed much spirit and energy throughout the long season.

The team won its first meet with Kingswood with a perfect score, then swept a tri-meet with Lyndon and Ashland. In a tri-meet at Lyndon, Vermont, the Crusaders defeated North Country Regional, but were handed their one and only defeat by Lyndon Institute in a one point decision. The Littleton harriers then put together a six meet winning streak. In St. Johnsbury they defeated both Bradford and the Academy team. Traveling to Ashland, the team won again. Against White Mountains Regional they scored their eighth victory. The L.H.S. runners then defeated St. Johnsbury for the second time. Rounding out their regular season, the Crusaders once again beat White Mountains.

The junior varsity, running for most of the season with the varsity, had two meets of its own. The J.V.'s swept a tri-meet, defeating both St. Johnsbury and North Country. Later in the season, they downed Lyndon Institute with a perfect score.

The cross-country team also fared well in its two post-season meets. In the Kingswood Invitational Meet, the L.H.S. harriers were second in a field of eight. The final, all-important contest, the State Meet, was held in Durham. The team finished a close third in the ten team race.

Littleton's harriers had a fine season in 1967 and expect to do even better in 1968. The team is young, with all but two of the runners underclass men. The Crusaders will certainly be in contention for first place in Class I next year.

FIELD HOCKEY

Front Row—M. Miller, J. Smith, K. Hayes, J. Knight, P. Whitcomb, A. Goodrich, E. Cady, C. Monahan, I. Knight, G. Richards, N. Knight. Back Row—J. Hopkins, G. Spinelli, K. Spinelli, D. Girouard, D. Corey, B. Alt, K. Topping, A. Clark, K. Gallen, J. Tewksbury, C. Boswell, K. Burlock, L. Bullock, Coach Bouley.

The 1967 Girls' Field Hockey Team finished its sixth season with 4 wins, 1 loss, and 2 ties, the best season in L.H.S. field hockey history.

This year the team is losing eight seniors: Irene Knight, Patty Lawrence, Melanie Miller, Gail Richards, Gail Spinelli, Kathy Spinelli, Janet Tewksbury, and Kathy Topping. These girls turn in their sticks wishing next year's team another successful season.

Crusaders Post Seasonal Record of 20 - 3

Recording the most successful season since 1946, the Littleton High School Crusaders' basketball team posted a 20-3 won-lost record for the 1967-1968 campaign. The Crusaders of Coach Steve Bamford won the Central Mountain "I" League trophy and were the runner-up team in the Class I state tournament. In posting their enviable record, Littleton's band of giant-killers was a most exciting team to watch during the entire season and tournament. With their tallest man no bigger than a mere 6'0", the Bamfordmen consistently beat bigger teams all year with a blitzing fast break, good defense and rebounding and excellent shooting. Because of their overall lack of size, the Crusaders were a real "Cinderella" team all year.

During the regular season, this North Country aggregation started strong and ran their record to 10-0 before being upset at Plymouth 88-64. From here until the end of regular season play, the Crusaders lost but one other game (Woodsville) for a fantastic 18-2 record. Then it was time for tournament action at the U.N.H. field house in Durham. With the top eight teams in Class I qualifying, Littleton was seeded third behind Milford and Bishop Brady.

In the first game in Durham, Littleton faced arch-rival Plymouth for the right to advance to the semi-finals. Plymouth started strong while Littleton had a cold spell. With the score 49-39 in Plymouth's favor after three quarters, it looked like the end for Coach Bamford's boys. But then with the great desire and determination that has sparked them all year, Littleton exploded for 30 points in the final frame while holding Plymouth's Bobcats to 10, to win going away 69-59. To all the many fans and followers, it was a tremendously exciting finish to a game they will not soon forget. Now on to Bishop Brady in the semi-finals. Brady, the No. 1 seeded team in the tournament, became heavy favorites for the game with Littleton. Everyone who was supposed to predict the outcome, said it would be no match and Brady would prevail easily. Littleton heard these whispers and came alive with that famous desire and determination. In the first half it looked as though Brady's outstanding height, and the shooting of Dave McMahon would wear down the Crusaders. But Littleton taught Brady a lesson in defense as well as the break to upset the Green Giants 78-72.

The "Cinderella" team was now playing for the big one – the state championship pitted against the huge Pembroke Spartans. Littleton finally ran out of steam and hot shooting in losing 56-52. It was a most disappointed Crusader squad that made the trek back to Littleton on that championship game evening. It had been a long and tedious season of gruelling practice, pressure-packed games and general excitement. Now it was all over, and Littleton was second best in Class I. But all who followed the team all year took the Crusaders into the warmest place in their hearts because of the many fine memories.

High scorers for the season and tournament were Sophomore Louis Ziter with 319 points, Senior forward Lennie Quail with 315 and Maury Paradis with 301. As one can see, it was a supreme team effort in this department that made the Crusaders such an outstanding team. Rebounding statistics show Louis Ziter and Paul Hennessey as Littleton's best carom men while Billy Burgess, Senior guard, assisted on the most baskets for the year with 137 feeds.

To the Littleton High Crusaders, we thank you for all of the wonderful and joyous memories you gave us during the 1967-1968 season. *We will never forget you.*

JR. VARSITY BASKETBALL

Coach Bouley, G. Gordon, L. Hopkins, A. Hinerth, J. Hennessey, T. Swan, D. Cardinal, J. Clark, D. Sargent, J. Estle, M. Meunier, L. Hall, D. Wing, J. Wright, D. King.

BOYS SKI TEAM

Front Row—H. Robertson, S. Hayslip, T. Walsh, A. Norton, S. Sulley, P. Haskell, J. Tuite, P. Santina, Coach Dunham. Back Row—Coach Daley, M. Collins, H. Clark, M. Greenwood, P. Kimball, A. Cyr, B. Tuite, J. West, G. Girard, B. Lunderville. Absent—D. Kenney, P. Moulton, L. Moulton, G. Boisvert.

This year's ski team had a disappointing season but perhaps the future will be brighter. The nordic squad was seriously depleted at the start and the competition from other schools was really stiff.

Thirty candidates came out in the fall and from these "men" rose such stars as Mike "the road-runner" Collins, John "the whistle" Tuite, Bing "the bell" Clark, Paul "I forgot" Cyr, Pete "the trapper" Kimball, and of course that old stand-by and lonely senior, Bruce "the horn" Tuite.

When it came time to climb the trestle for the big jump many knees were knocking but positive persuasion (Daley and Dunham's boot) enabled the boys to jump their best. Jumping for Littleton were such international stars as Scott "the conformist" Sulley, Dave "musclebound" Kenney, Paul "what time is it" Haskell, Paul "I'm sorry" Santina, "the noisy" Tuites, "Horrible" Harry Robertson and "Terrible Tom" Walsh.

On the serious side, the alpine team did very well and New Hampshire schools had better watch out because not one of the boys is graduating. This team consisted of such stars as Dave Kenney, Quint Boisvert, Scott Cushing, Larry Moulton, Perry Moulton, Steve Hayslip, Paul Cyr and Harry Robertson.

There are many more boys that have as great an interest and the Crusaders will definitely improve during the 1968-69 season.

GIRLS SKI TEAM

Front Row—L. King, P. Whitcomb. Back Row—C. Monahan, B. Alt, A. Clark, J. Smith, J. Miles, P. Lawrence, J. Carbonneau, M. Colby, M. Miller, J. Tewksbury, G. Richards.

For their first year the Littleton Girls' Ski Team had a fairly successful season. Coached by Mrs. Stephanie McGoldrick, they began their season with conditioning exercises at Remich Park.

The first meet was held on Jan. 6th at Hanover. Kerry Monahan and Merri Colby placed 3rd and 13th for Littleton out of some 76 racers. During the remainder of January the team raced such teams as Lyndon, Vt. on the 13th, St. Mary's on the 20th, and Fryeburg, Maine on the 31st.

February brought them bad luck. Merri Colby and Judy Smith were out with leg injuries, and the state meet was just around the corner. On February 10 they raced at Mt. Eustis against Hanover, Kerry Monahan taking second place. On February 22 they attended the State Meet at Wildact, where Kerry placed 5th in the slalom.

The last meet was held at Attitash against St. Mary's and Kennett of Conway—Monahan placed 2nd.

The Senior members who will not be returning next year are Melly Miller, Gail Richards, Janet Tewksbury, Lois King, and Patt Lawrence.

SENIOR GIRLS' BASKETBALL

P. Gordon, K. Topping, S. Miller, C. Kimball, Coach Bouley.

The 1967-1968 Girls' Basketball Team, under the direction of Coach Linda Bouley, completed its season with a record of 10 wins and 4 losses.

Although this year's team started off its season with a loss to Gorham High School, the record was an improvement over last year's of 8 wins and 5 losses.

This year's squad consisted of only four seniors, Kathy Topping, our sharp shooting forward, our guards, Cathy Kimball, ace ball handler, Sue Miller, our top rebounder, and Pam Gordon, who was a good set up "gal". Next year's team, since this year's team was young, should have little difficulty improving its record.

Lost through 1967 graduation were outfielders John Parker and Greg Wells, third baseman Jeff Ordway, and catcher Steve Allbee, all starters; and subs Dave Monahan, Don Merrill and Mike Boulay. The team retained 1967 starters Bill Burgess, Skip Hayslip, Alan Leach, John Fillion, and Len Quail.

A large group of seniors was on this year's squad. Aside from the returning starters were John West, Russ Martin, Howard Pihl, Steve Sarausky, Jack Atkins, Paul Hennessey, and Jeff Plante.

Juniors on the varsity include Steve Colby, Ron Paula, Pete Shosa, Tom Downing, and Joe Girouard.

Mr. Millen was head coach and was assisted by Mr. Anderson. The managerial posts were filled by Maurice Paradis, Bob Cady, Dave Bull, and John Estle.

Intramural activities at LHS are many. In the fall, basketball for girls and boys at the Junior High level is started as soon as possible. Basketball on the Junior High level is rapidly expanding into a schedule with surrounding schools. The varsity girls' basketball tryouts are handled as an intramural basketball league consisting of several teams which play several games apiece. After this a High School boys' basketball league is formed which consists of five or six teams. Games are played throughout the season and a playoff is held at the end of the season to determine the champion. If time permits an All-Star team is picked from this league to play the Junior Varsity team.

In the spring, High School boys and girls have one night a week to play volleyball, and when the snow leaves, the Junior High boys and girls, and the High School boys and girls participate in softball. The new sport of Juggerball is played year round when the time is found to fit it in. There are also intramural bowling leagues for High School girls, and for boys in grades eight through ten. These bowling leagues meet every Saturday morning.

It is very evident that the students at LHS are very interested in their intramural programs. They have shown this through their desire to keep the programs alive with their excellent participation efforts and their love for competitive sports.

Bunny Porfido Reigns as Queen

1968 Winter Carnival

71 SALUTES
GRENOBLE

DETERMINATION

Princess Debra Clark and her Court

This year's Littleton High School Winter Carnival proved to be a tremendous success. A new event was entered in the carnival this year, an evening of Intra-Class Basketball. Each winning team was given points toward the final trophy.

Much work was done throughout the week to complete the snow sculptures for judging on Friday afternoon. Although hampered by warm weather, the sophomores received first place with their tortoise and hare entitled "Determination."

On Friday afternoon, Carnival competition continued at Remich Park with the student body taking part in events such as the egg throw, 100 yard snowshoe dash, cross-country snowshoe race, three-legged snowshoe race and the tug of war between the classes. The point scoring was as follows: Sophomores, 32 points; Seniors, 31 points; Juniors, 24 points; and Freshmen, 11 points. The eighth grade led the seventh grade, 9 to 8.

All those attending the ball voted for the Queen. Senior Bunny Porfido won the voting and Sophomore Linda Fitch was chosen runner-up.

"Russ" Martin, president of the Student Council, presented the Carnival trophy to Paul Hennessey, president of the 1968 Senior class.

On Saturday evening the Ski-Tog Dance was held for the Junior High School. Crowned princess of the Winter Carnival was Debra Clark of the Seventh Grade.
